DHS OIG HIGHLIGHTS

Review of U.S. Customs and Border Protection's Fiscal Year 2023 Drug Control Budget Formulation Compliance Report

January 23, 2024

Why We Did This Review

The Office of National Drug Control Policy (ONDCP) Circular, *National Drug Control Program Agency Compliance Reviews*, requires National Drug Control Program agencies to submit to the ONDCP Director by February 1 of each year a detailed accounting of all funds expended for National Drug Control Program activities during the previous fiscal year.

At least every 3 years, the Office of Inspector General is required to review the report and provide a conclusion about the reliability of each assertion made in the report.

What We Found

Williams, Adley & Company – DC, LLP (Williams Adley), under contract with the Department of Homeland Security Office of Inspector General, issued an Independent Accountant's Report on the U.S. Customs and Border Protection's (CBP) FY 2023 Drug Control Budget Formulation Compliance Report. CBP's management prepared the Budget Formulation Compliance Report and the related assertions to comply with the requirements of the ONDCP Circular, *National Drug Control Program Agency Compliance Reviews*, dated September 9, 2021.

Based on its review, nothing came to Williams Adley's attention that caused it to believe that CBP's FY 2023 Budget Formulation Compliance Report and related assertions are not presented in conformity with the criteria in the ONDCP Circular. Williams Adley did not make any recommendations.

Independent Accountant's Review Report

Inspector General
United States Department of Homeland Security

We have reviewed the accompanying Budget Formulation Compliance Report (BFCR) of the U.S. Department of Homeland Security's (DHS) Customs and Border Protection (CBP) for the year ended September 30, 2023. CBP management is responsible for the preparation of the BFCR in conformity with the requirements of the Office of National Drug Control Policy Circular: *National Drug Control Program Agency Compliance Reviews*, dated September 9, 2021 (the Circular). Our responsibility is to express a conclusion about the BFCR based on our review.

Our review was conducted in accordance with the attestation standards established by the American Institute of Certified Public Accountants and generally accepted government auditing standards. Those standards require that we plan and perform the review to obtain limited assurance about whether any material modifications should be made to the BFCR or related assertions for them to be in accordance with the Circular. The procedures performed in a review vary in nature and timing from and are substantially less in extent than an examination, the objective of which is to obtain reasonable assurance about whether CBP's BFCR and related assertions are in accordance with the Circular, in all material respects, in order to express an opinion. Because of the limited nature of the engagement, the level of the assurance obtained in a review is substantially lower than the assurance that would have been obtained had an examination been performed. We believe that the review evidence obtained is sufficient and appropriate to provide a reasonable basis for our conclusion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements related to the engagement.

Among other requirements, the Circular requires CBP to submit its summer drug budget directly to the Office of National Drug Control Policy (ONDCP) at the same time its budget requests are provided to its agency heads. Based on our review, we determined CBP did not submit its summer drug budget to ONDCP directly. Rather, CBP submitted its summer drug budget to the DHS Budget Division Formulation Team for subsequent transmission to ONDCP. Although the process CBP utilized does not align to the Circular requirements, we are not modifying our conclusion because CBP's assertion is accurate.

Based on our review, we are not aware of any material modifications that should be made to the BFCR or related assertions for the year ended September 30, 2023, in order for them to be in conformity with the requirements set forth in the Circular.

The purpose of this report is to authenticate the BFCR as required by the Circular based on our review and is not suitable for any other purpose. This report is intended solely for the information and use of DHS Office of Inspector General, CBP, and the ONDCP, and is not intended to be, and should not be, used by anyone other than the specified parties.

B. Assertions

(2) Funding Levels Represent Bureau-Level Request

CBP asserts that the funding request in the FY 2025 Summer Drug Budget submission provided to ONDCP by the DHS Budget Office represents the funding levels in the budget submission made by CBP to DHS, without alteration or adjustment by any official at DHS.
